

NOTICE

Lead Service Line Inventory Project

THERE IS NO CAUSE FOR ALARM

This property has been selected for Water Service
Line Material Verification
A Utility Representative will be on location

Between: _____

And: _____

On: _____

to perform an inspection of the Water Service Line
and confirm the material

One or more small holes may be required to
observe the Water Service Line

Any holes created will be filled within 24 Hours

We appreciate your cooperation and
understanding

**For information
from the EPA
on the effects
of lead in
drinking water
please scan this
QR Code**

appreciates your cooperation with this project

With your help we will be able to identify all of the lead service lines in our community and work towards their eventual replacement.
