

### **10-Minute Vignettes**

Last year, in an effort to increase flow, interest, and attention to exhibitor offerings, we provided exhibitors the unique opportunity to showcase their latest and greatest equipment and/or services through 10-minute vignettes (or mini-presentations) right at their booth. The vignettes were extremely popular with both exhibitors & attendees. The exhibitors loved the chance to talk about their products or services to a captive audience, and attendees loved the “elevator speech” format that allowed them to hear about the products or services in the comfort of a group.

***The vignettes went over so well last year that we want to do it again this year!***

Each participating speaker/exhibitor will be given raffle tickets to hand out to all the listeners of their 10-minute presentation – at its conclusion.

At the end of the exhibit hall hours (2:45-3:00pm) on May 7<sup>th</sup>, we will raffle off prizes. Tickets for those prizes can ***only*** be acquired by listening to the 10-minute vignettes.

To increase participation on behalf of our loyal and deserving Exhibitors and Associate Members, Ohio Rural Water Association will be donating a 49-Inch Smart LED TV as the Grand Prize for the raffle.

We strongly encourage you to donate a prize to this raffle, especially if you are presenting. It is a great way to show the attendees that you value their time and attention.

If you would like to participate, please fill out the lines below and return it to ORWA’s office along with your registration.
